We declare that we have received and read the relevant product literature and the Society's "Essential Information for Investors" leaflet, and agree to be bound by the Society's Rules (a copy of which will be sent by the Society upon opening the account).

We authorise that the account we are opening and the money we are investing is on behalf of the named organization. We certify the organisation has the power to open this account and that if required a resolution was passed authorising us to do so.

We agree that withdrawals from the account will be by Society cheque payable to the Company or by transfer to the Company's main account as stated in section A.

The Society will only act on the instructions of the signatories shown in section E. If the authorised signatories change we will tell you in writing immediately.

We understand that, like other financial institutions, you are required to obtain evidence of our identification (see section C for full details) to prevent the fraudulent operation of investment accounts.

We agree to the Society using the information contained in this form for processing our application and managing our account.

We agree that the Society may act on instructions in the form agreed by the Company and the Society and is not required to enquire into the correctness, validity or completeness of instructions in the application.
